

PULA 2025

We stayed in a Hotel . It was Hotel Pula.

We got these from the school. Everyone had their own names on them.

We played a lot of board games in the room.

The school is called IDIKOVAC.

(Orsi and her favourite dessert.)

We had a PE lesson there, we had a basketball match, a sports competition and our school won.

ROVINJ

We visited the church and it was beautiful inside.

Me and my friends saw a lot of seagulls and we named this one George.

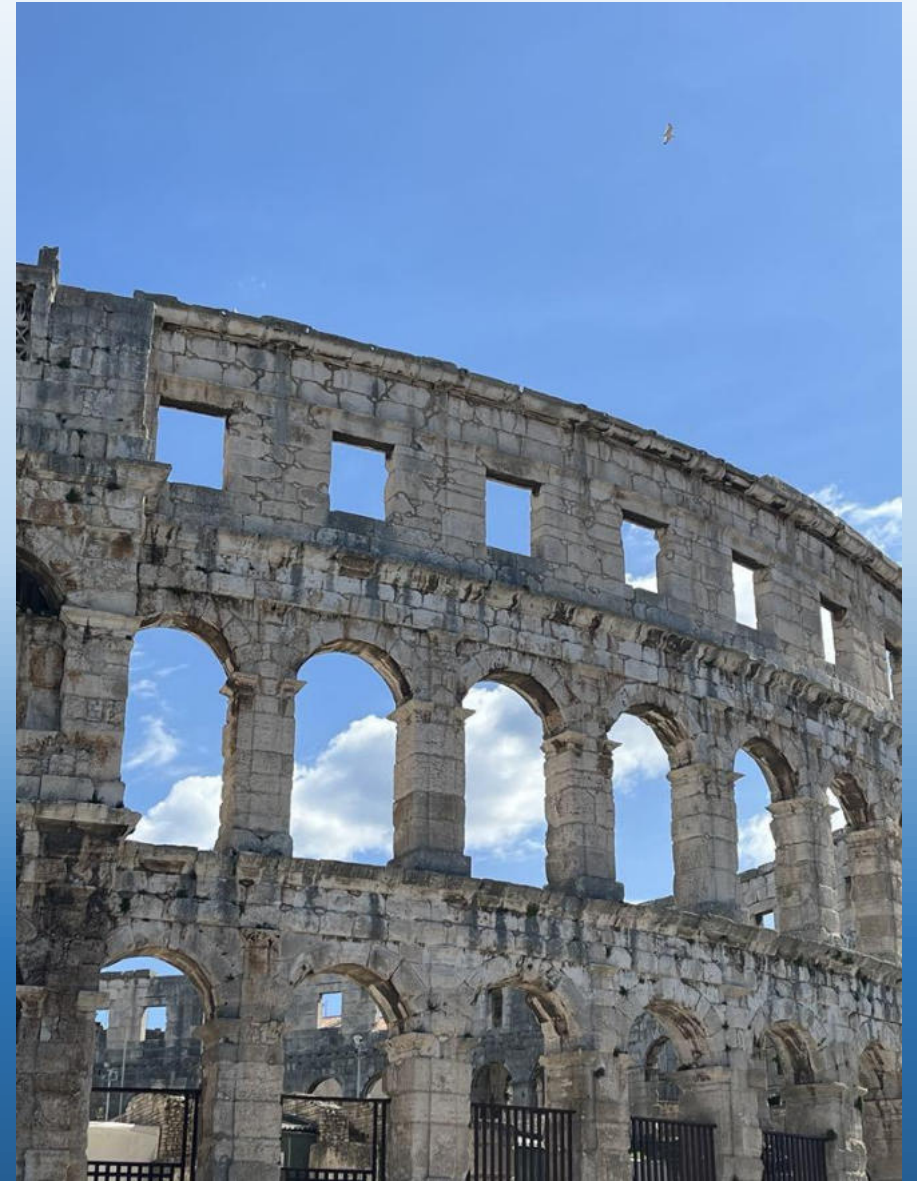

With the girls we met a new guy, his name was Dominik, he painted rocks and he was kind.

PULA

It was a beautiful place.

BOAT TRIP

This is how we survived in the wind.

We made some clay bowls together.

We bought matching bracelets with the girls.

We had a school party and they gave us a dinosaur balloon.

We took a secret picture of Réka néni (she is still this pretty).

We were at KAMENJAK . We went there with the Croatian students and we had a good time there.

Our school permformed a presentation.

WE GOT SOME NEW FRIENDS

The people there were so kind and friendly.

AND THERE ARE SOME PICTURES OF US

Next to the Hotel there was the sea and we took some pictures there.

We had a quiz with the teachers and our team got the third place.

After the aquarium we visited a secret place, we saw dolphins there and saw the sunset, it was so beautiful.

THANKS FOR WATCHING!

I loved this ERASMUS+ program, it was one of the best memories of my life so far.
The teachers always did their best and tried to help us.
We made a lot of friends there and we had a good time!!
