

Italy – Erasmus+

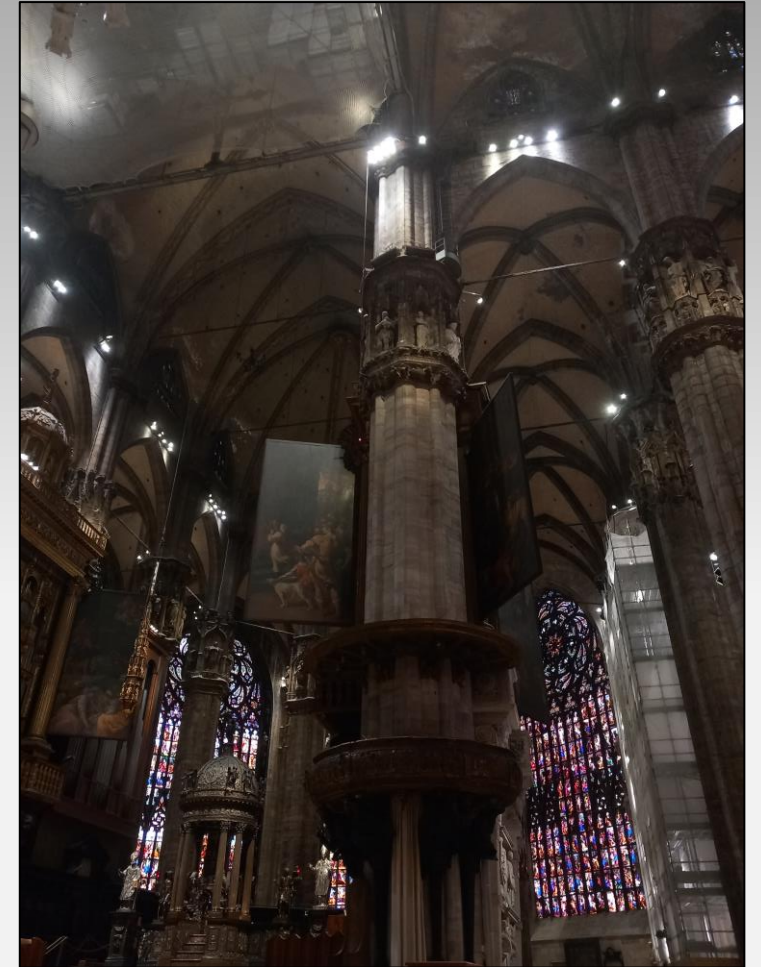

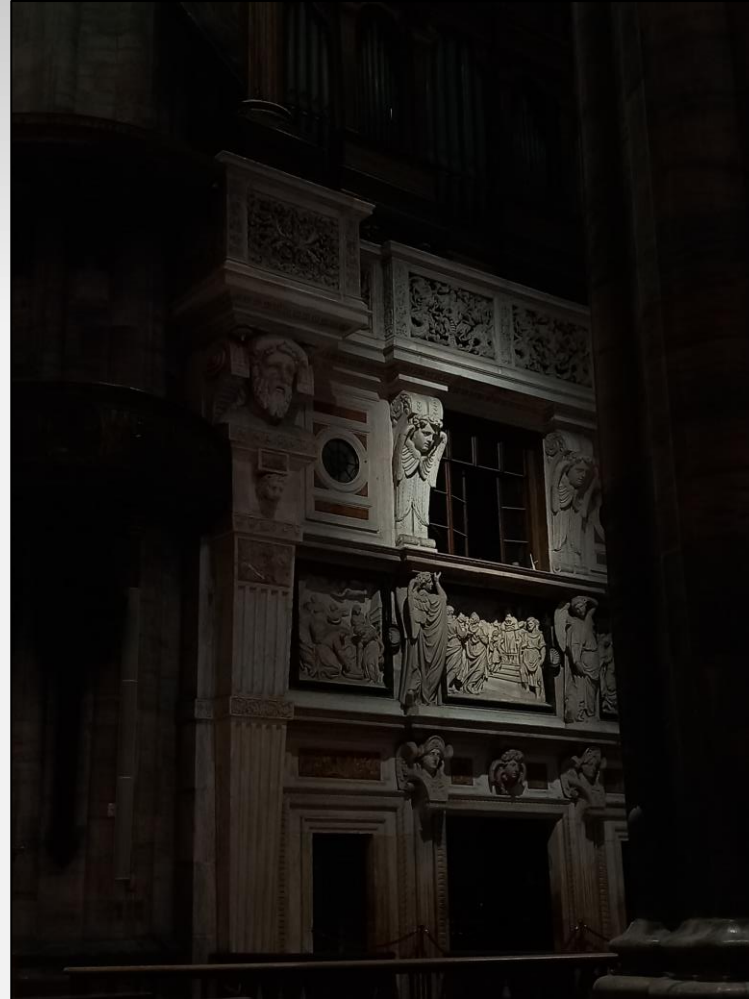

The Milan Cathedral

- The cathedral took nearly six centuries to complete.
- It is the largest church in the Italian Republic.
- There are 3,400 statues inside and out,
- 135 spires,
- and 55 stained glass windows.

The Milan Cathedral (inside)

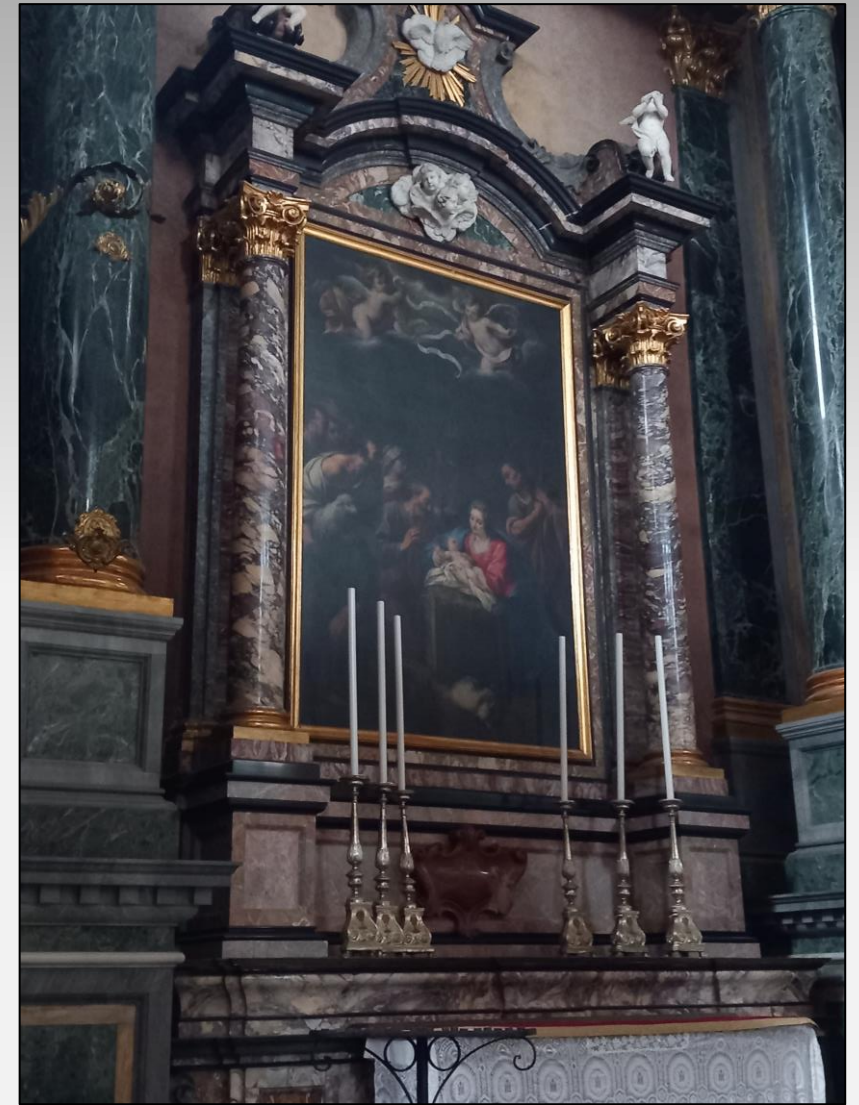

Cathedral of Novara

- Officially named Santa Maria Assunta.
- Neoclassical cathedral located in Novara, Italy.
- It's a religious and historical landmark, serving as the seat of the Bishop of Novara.

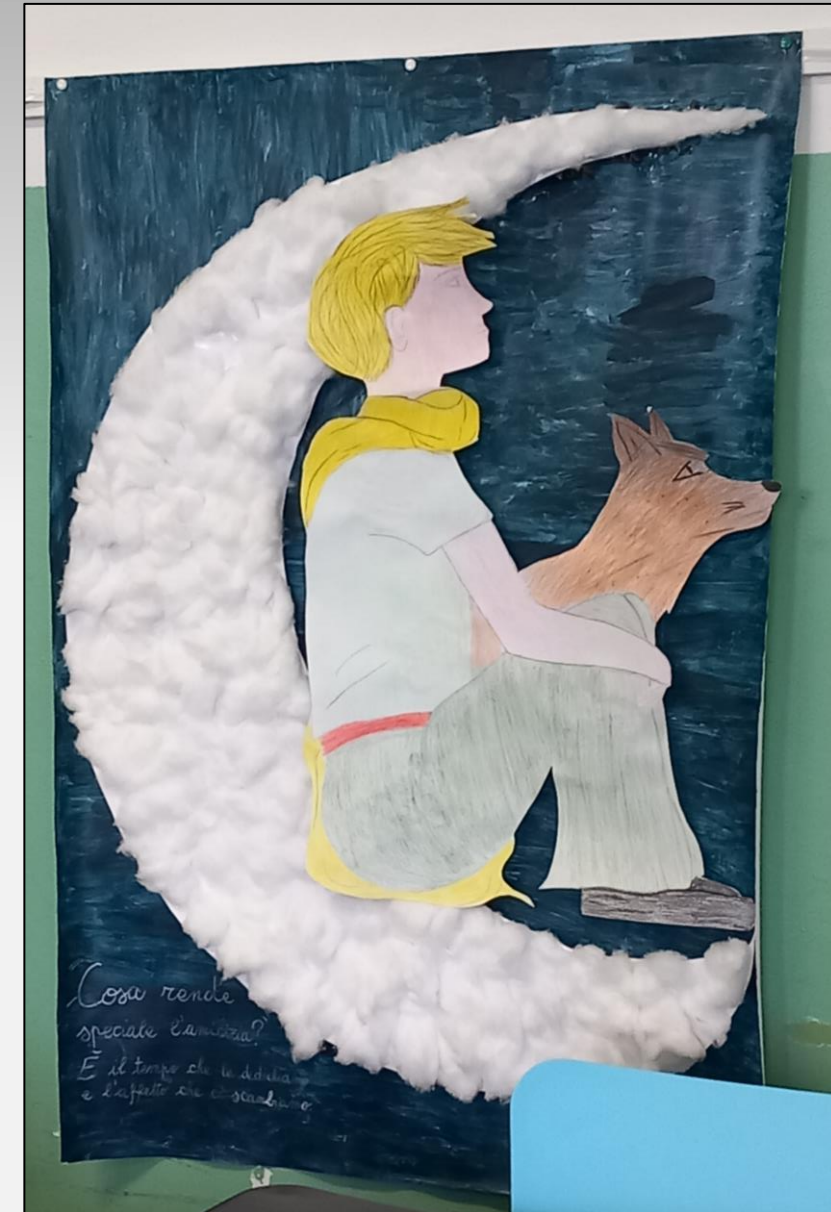

Cathedral of Novara

- The interior features older paintings from the 15th and 16th centuries.
- It also houses a precious fragment of the Cross and relics of San Marziano.

School

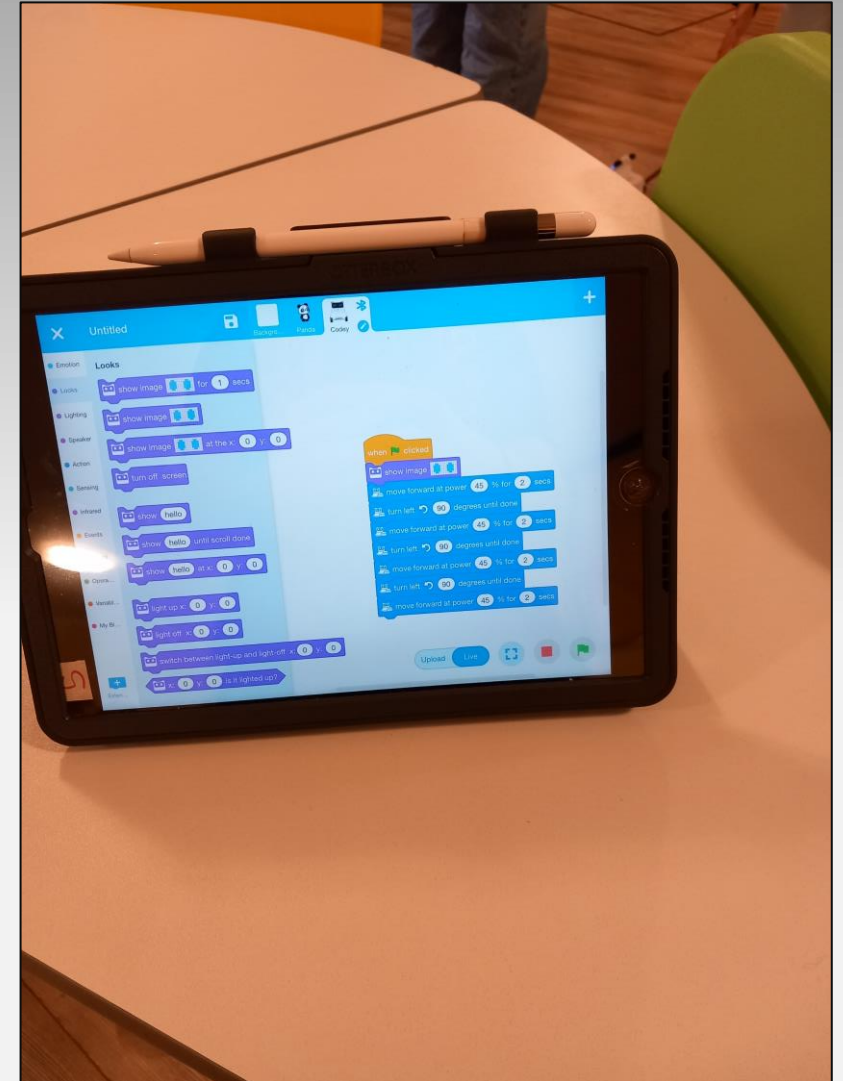

Some art:

School

(programming)
One of my favourite classes:

We had to program
a small robot, called
,Codey Rockey'

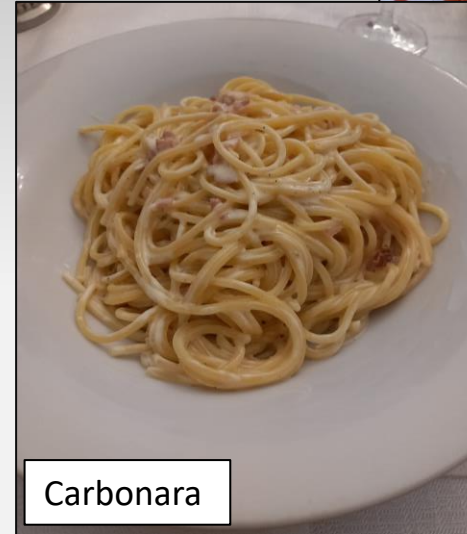

Food

pizza

pasta

Carbonara

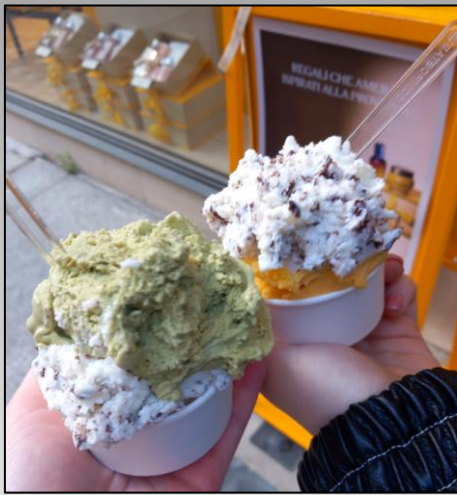

Spaghetti

Pesto

They tasted fantastic,
and the serving was
really nice as well.

We ate these in restaurants,
for lunch, and/or for dinner

Thank you for your attention!
