NO FOOD OR DRINKS ALLOWED

You are genetically incapable of
keeping a secret.
There isn't a huge difference between
losing your temper and killing someone.
Tea is the solution
to every problem.
You're strangely poetic
after a few beers.
You swear
very well.
Much of your food from your childhood
was boiled.
You will be punched for no good reason
...a lot.
Many of your sisters are Catherine, Elizabeth or Mary
and one is Mary Catherine Elizabeth.
You have no idea how to
make a long story short.
You can't wait for the other guy to stop talking
so you can start talking.
but that doesn't stop you from singing.
