Weekdays (Schools)

-Koupion Klassika (75 min lessons):

-Monday: The students introduced the school to us, then they taught us a little Finnish, and finally we were at the English lesson

-Tuesday: - We had lessons, like English, Physics, Maths
- We also presented our PPT about Dunakeszi and our school

-Wednesday: - We had lessons, e.g. Spanish, Music, Art
- The history teacher taught us 30 things about the Finnish history

-Friday: We had lessons, e.g. healthcare education

-Hatsalan klassillinen (45 min lessons):

-Thursday: We had 4 lessons: Maths, Swedish, Finnish and English

Weekdays (Afternoon)

- Monday: See the sights of Kuopio
- Tuesday: Kuopio Museums (Old and new)
- Wednesday: Climb up to the Puijo Tower
- Thursday: Buy souvenirs in Matkus Shopping Center
- Friday: Having lunch together

Education system in Finland

- Students can create their own timetable
- Teachers let students out into the corridors to do their work
- The lessons are 75 minutes long (in secondary school)
- There is no entrance exam
- A lot of students do their lesson exercises on laptops
