

Our experiences in Finland

Made by: Szilárd Eszter, Keleméri Fanni and Kaszás Lilla

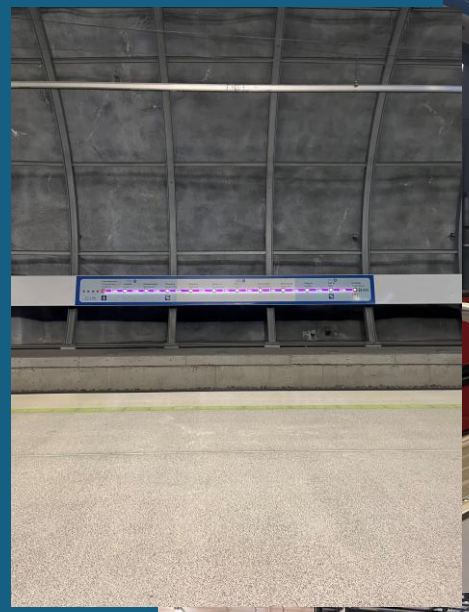

The way there

-Two and a half hours by plane:

-A little travel by train to our first hotel:

More travel and Helsinki

-One night in Helsinki

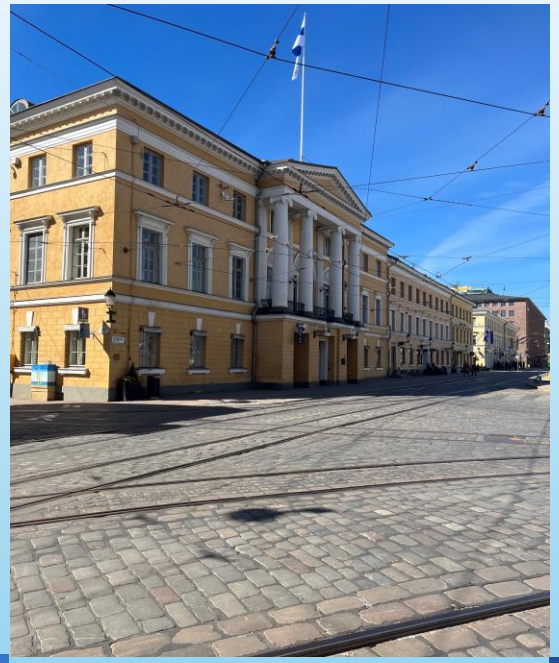

-Sightseeing

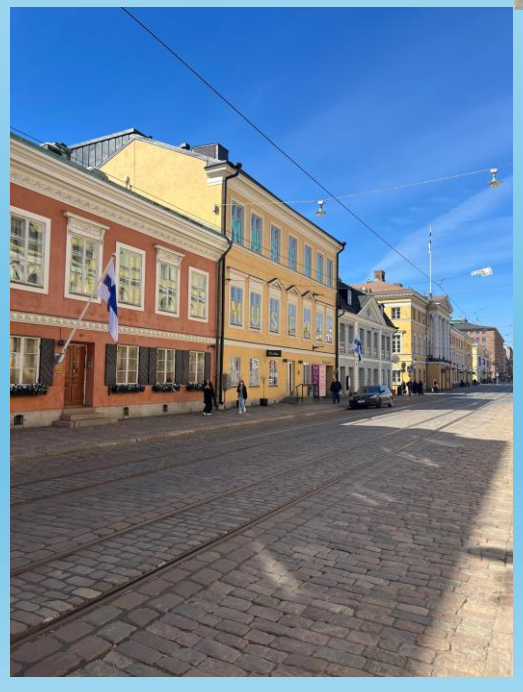

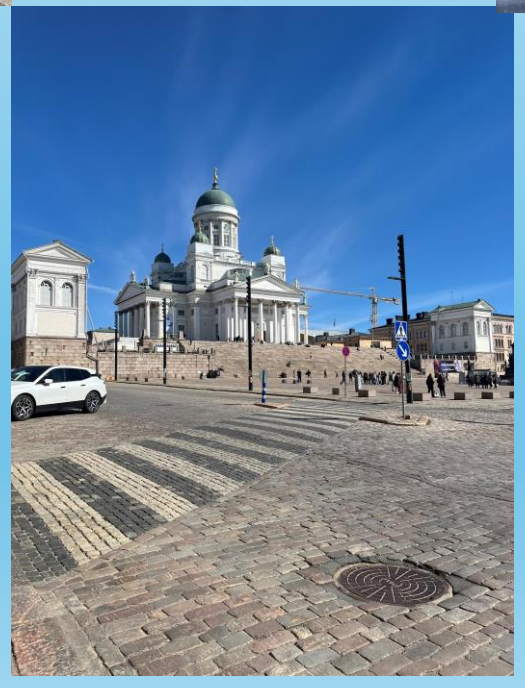

Helsinki

-colorful houses
-clean city
-peaceful
setting

Than we continued travelling, a 4-hour train journey started, but when we arrived we ate a really good meal

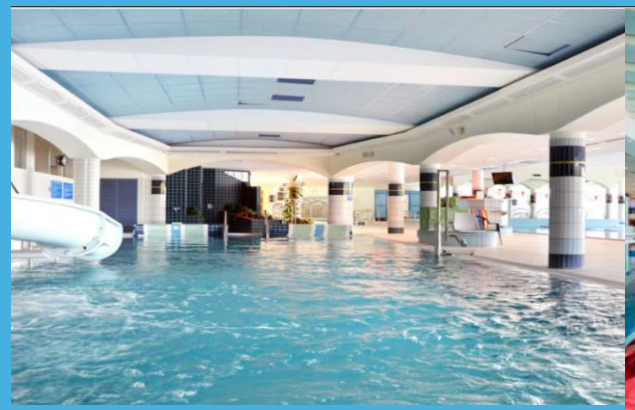

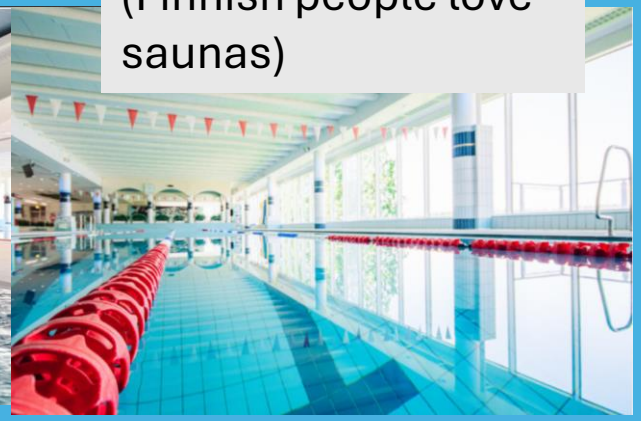

Our hotel for 7 days

-The swimming area (Finnish people love saunas)

Places where we came back every day

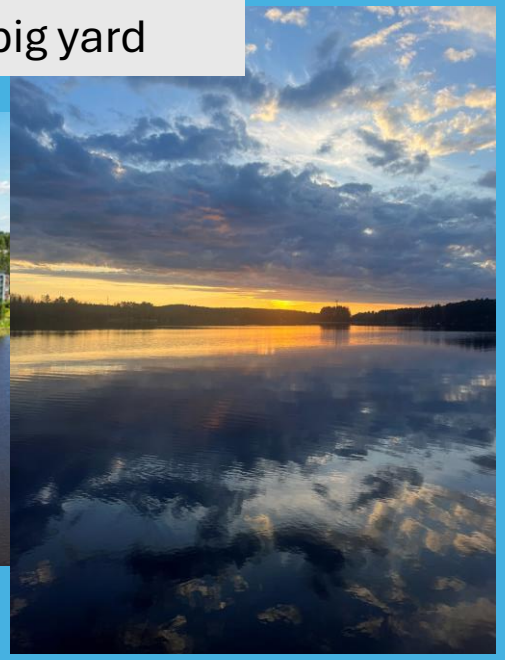

The beautiful view and the big yard

The school where we stayed

- Lots of differences between Hungarian and Finnish schools

-freedom
-modernity
-responsibility
-language, sport

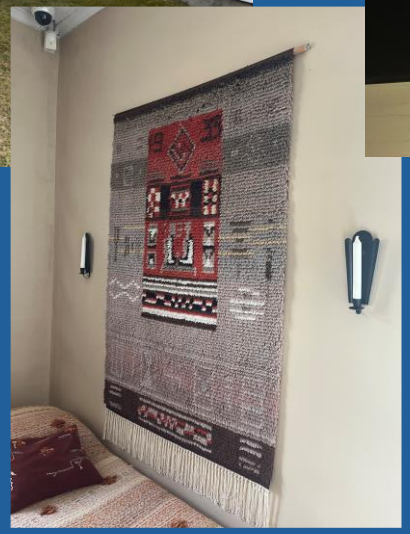

Kuopio and the days with full of experiences

Old Kuopio Museum:

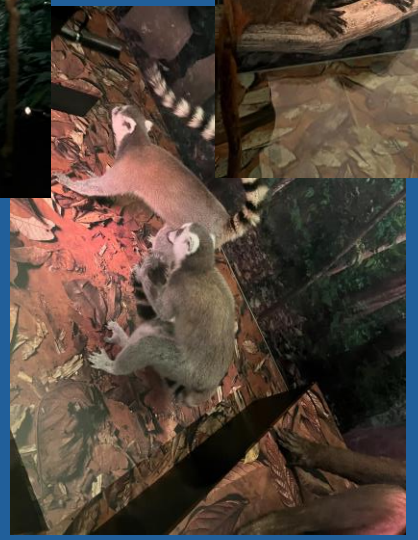

Museum of Kuopio:

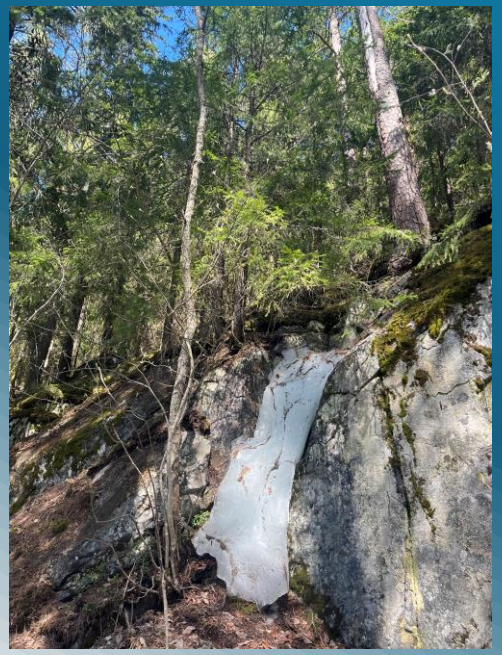

Puijo Tower

-During the walk up we saw some interesting things

-Fast spring, long winter

Animal day in the school

Country of 1000 lakes :

The country of winter sports:

-hockey
-synchronized ice skating

They are good at some foods, but not all:

-milk, no salt
-vegan people
-health
-early eating

Different religion

Thank you for your attention!
